

LENAPE NATION OF PENNSYLVANIA SCHOLARSHIP GUIDELINES AND APPLICATION INSTRUCTIONS

APPLICATION TERM: FALL 2024-SPRING 2025

❖ **About the Scholarship:**

The Lenape Nation of Pennsylvania (LNPA) conducts fundraising events for the purpose of providing scholarships to registered LNPA members pursuing post-secondary education. The number of scholarships awarded and the amount of each scholarship varies from year to year depending upon the amount of funds raised and the number of applicants accepted.

Scholarship awards are paid directly to the recipient's postsecondary institution in two equal installments. The first installment will be applied to the fall semester and the second installment will be applied to the spring semester. The second installment is contingent upon receipt of the recipient's official transcript (confirming enrollment and attendance). If the postsecondary institution does not follow a traditional two-semester schedule, an alternate method of payment must be agreed upon prior to the candidate's acceptance of the scholarship.

❖ **General Eligibility Requirements:**

- Candidates must be current registered members of the LNPA.
- Candidates must be planning to attend an accredited post-secondary undergraduate college, university, community college or career school in the current or upcoming academic year.
- Awardees must submit necessary contact information for their educational facility account for disbursement of scholarship.
- Awardees must agree to allow the LNPA to use their name, likeness, and enrollment status for use in promoting scholarship and cultural programs.
- Awardees must be willing to attend one day of the LNPA annual pow wow in order to be recognized for their achievements. The 2024 dates are September 7th & 8th.
- It is expected that awardees will represent their Lenape community and culture in a Good Way, conducting themselves with respect and humility in all endeavors, displaying diligence in coursework, and advocating for the LNPA and all indigenous peoples whenever able.
